A 128-YEAR LEGACY ROOTED IN EXCELLENCE IN ALL THAT WE DO.

The Godrej journey began in 1897, rooted in India's independence and the Swadeshi movement. Started by Ardeshir Godrej with the business of making locks, it has grown into a legacy of trust and innovation that now touches over 1.1 billion lives across real estate, consumer goods, appliances, agriculture and more. Backed by 128 years of excellence, our journey spans from homes to high-tech engines powering space missions.

We are proud to be known as India's no. 1 real estate developer, with 100+ landmark projects, 400+ awards and recognitions across 10+ locations in the country. After having delivered over 2,819 homes and 22+ mn. Sq. ft. of total saleable area, we continue to shape how India lives. We don't just build homes, we build legacies.
